Dear Mrs. [REDACTED];

[REDACTED], January 10, 1968
About 3 minutes ago my
girlfriend and I saw some-
thing strange.

Without the binoculars
it looked just like a white
light. Through the binocu-
lars it looked like this

We don't know what it
is. This is the third time
we've wrote to you. Please

send a questionnaire and
not Project Blue Book.

(I still didn't receive my
questionnaire from the October 11,
1967 sighting).

THANK YOU
